

Inviting School Fidelity Award

Application Instructions

Checklist to Complete For Consideration:

- I. *Name of your School.*
- II. *Name of your Principal.*
- III. *Year Recognized As An "Inviting" School.*
- IV. *Complete the Inviting School Survey (35 surveys to be randomly completed by students, staff, administration and parents). Surveys must be requested by school official.*
- V. *Provide a narrative documenting how your school continues to maintain the principles and philosophy of Invitational Education. Include goals, objectives utilized as it relates to your school's vision of being an "Inviting School." Please include where you feel your school is in relation to the Helix of Invitational Education.*
- VI. *Provide photographic evidence and/or media/press articles promoting your school's efforts in the implementation of Invitational Education.*

Please note: Every school will begin with the 2 Year Silver Starfish Fidelity Award, regardless of what year your school was recognized as an Inviting School Award.

The Awards Committee does not wish to impose a great deal of labor for this project. It is our belief that schools who truly sustain the invitational philosophy show it on a daily basis and that this effort should reflect that. Schools wishing to be recognized for their continuing efforts are to submit this information by April of the year of the World Conference to ensure consideration for the Inviting School Fidelity Award. Official notification of recognition will be conducted by May of the year.

Simply put, tell us your story since you were recognized as an Inviting School in a 10 – 20 page portfolio.

Good Luck!
